THE MINISTER OF CIVIL AVIATION (SHRI SHARAD YADAV)

(a) & (b) :- Basic facilities are available at Ranchi airport inside the terminal building. Outside the terminal building, facilities like car park, Drinking water, etc. are available. Construction of a Canopy outside the terminal building for the convenience of visitors with facilities like toilets, water, chairs, etc. has already been taken up.

Constant efforts are made to improve the passenger facilities both inside and outside the terminal buildings as an ongoing process.
